

We Are Stronger, Together

I hear by command you, be strong and courageous. Do not be frightened or dismayed, for the Lord your God is with you wherever you go.

JOSHUA 1: 9

To my beloved Mothers' Union family across the globe,

From near and far, I greet you with the love and courage of Jesus Christ. So much has happened with Covid-19 declared a pandemic and governments advising us to increasingly take precautions to avoid the spread of the virus. We have to come to terms with a lot in such a short time.

But, in times like these, I encourage you to take heart, and do not fear because the Lord your God is by your side. An ever-present help in times of trouble. As many of us are called into self-isolation and church services postponed until further notice, we must find ways to stay connected and support each other as best we can. You can find our useful resources below.

If you had planned to attend a Mothering Sunday service this weekend, you can still join with us at **1:15pm on BBC One as we will be featured on BBC Songs of Praise. Watch with us on 22nd March**, Mothering Sunday as Mothers' Union in Worthing support women, including through incredibly difficult times.

As individuals, we are bold and brave, full of courage and compassion and ever so loving.

Yours in Christ,

Sheran Harper | Worldwide President | Mothers' Union
